USM-KLE
INTERNATIONAL MEDICAL PROGRAMME, BELGAUM, INDIA

“Transforming Higher Education for a Sustainable Tomorrow”
USM-KLE International Medical Programme is conducted at the new and sophisticated academic complex situated beside Jawaharlal Nehru Medical College (JNMC). It is equipped with modern lecture halls, laboratories, tutorial rooms and a library. This complex will have its own hospital equipped with 500 beds for training purposes. This program will also make use of neighboring hospitals and clinics that are available. All students will be housed in the hostels in the campus which is fully equipped with facilities such as a recreational stadium, IT, bank and cafeterias. Belgaum is located near Goa and it is also not far away from Pune, Mumbai and Bangalore. It has a moderate climate and is surrounded by agricultural land.

Upon completion of their studies, students will be awarded the USM M.D. This is a locally accredited USM Medical Degree program conducted overseas and is customized to the needs of the medical career in Malaysia. Students will be trained by qualified and experienced lecturers and specialists in India.

**WHY USM-KLE**

- Integrated Medical Curriculum in India using 100% of USM Medical Degree (M.D) Programme.
- Recognized by Medical Council of India.
- Received full 5-years accreditation by Malaysian Qualification Agency and Malaysian Medical Council.
- Having own 500 bedded teaching hospital combining with another 2000 bedded affiliated hospital (Prabhakar Kore Hospital).
